

# Avery<sup>®</sup> Supreme Wrapping Film

## Limited Edition Collection

### Sensational new finishes

## Stand out from the crowd

There's a new element of 'cool' in the Avery Supreme Wrapping Film for the high-quality vehicle wrapping market. The new Limited Edition collection contains new finishes reflecting current car style trends and market demands.

For a wrapping film that combines performance, versatility and convenience, look no further than Supreme Wrapping Film from Avery Dennison. This dual-layer film combines colour and clear protective layers, providing a smooth, paint-like finish that's durable and impressive. The enhanced film technology ensures excellent conformability around curves and recesses and features Easy Apply™ RS adhesive technology, making application both fast and easy.

With added repositionability and slideability, plus long term removability, vehicle personalisation has never been easier. Supreme Wrapping Film is available in rolls 1.52m wide, which allows large panels to be covered with just one piece of material, with no seams, for faster application and a professional finish.

With a limited edition collection of new colour options, Avery Supreme Wrapping Film now offers more choice than ever before to completely transform your vehicle.
